INSULATORS

High-performance insulators for reliable electrical insulation across industrial and power applications.

Cast Resin Support Insulators

25kV Pantograph Insulators

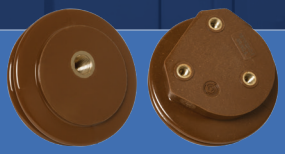

36kV Insulators

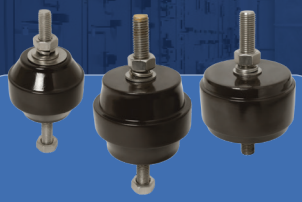

36/25kV Busbar Roof-Support Insulators

LV Support Insulators

Third Rail Insulators

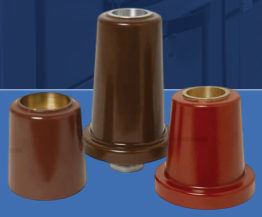

Medium Voltage Support Insulators

Tailor Made Post Insulators

Hex Insulator

Cable Connectors

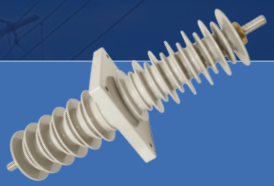

High Creepage Insulators

Pin Type Insulators

BUSHINGS

Durable bushings enabling safe current transmission with strong insulation and mechanical reliability.

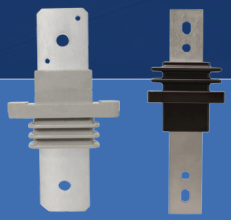

36/25kV Rooftop Bushings

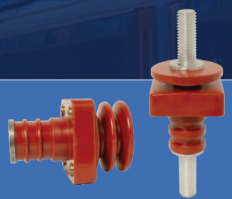

SF6 Bushings

Leak-Proof Transformer Bushings

Terminal Bushings

LV Bushings for Traction Converter

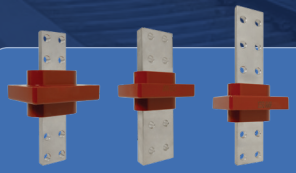

25kv Traction Transformer Bushings

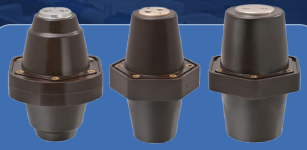

Cable Bushings

GIS Bushings (Size 2, 3 & 4)

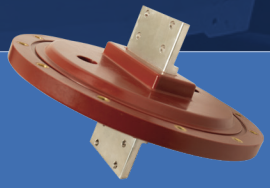

Transformer Bushings (upto 5000mA)

Medium Voltage Bushings

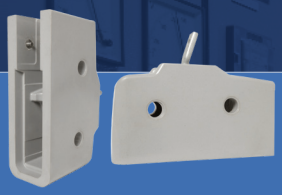

12kV Transformer Bushings

Barrier Bushings

CUSTOMIZED

Delivering tailored solutions with precise design, material selection, engineering, and production expertise.

Fuse Cut-Out Housing

36kV Support Base

Custom Design Shells

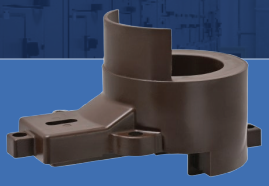

Epoxy Pole Housing

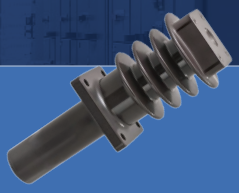

Monoblock Bushing

Epoxy Housing For VCB

Epoxy Cast Cover

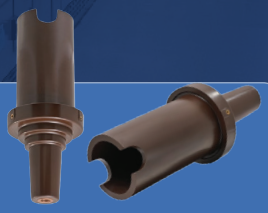

15kV Hollow Bushing

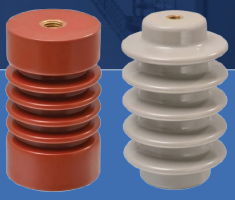

Seal Off Bushing

Multi Contact Bushing

36kV Hollow Bushing

Custom Height Insulator

Quality Tested

- Temperature Cycle Machine
- 200kV Partial Discharge Testing Lab
- Load and Bending Test Machine
- Pressure Testing Machine
- 200kV HV Testing Lab
- 360° X-ray Machine
